## **NEW ZEALAND FINGERPRINTING SERVICE RECOGNITION BY NEW ZEALAND POLICE**

Dear Mr Templeton,

Thank you for your recent confirmation that your organisation's fingerprinting for immigration and police clearances practises complies with the New Zealand Police Fingerprint recording guidelines.

This letter serves to provide New Zealand Fingerprinting Services with written recognition that the fingerprints recorded by New Zealand Fingerprint Services for the purposes of providing overseas agencies with inked fingerprints for immigration and police clearances are recorded in accordance with procedures and practices of operation in place that are acceptable to the New Zealand Police.

It is intended that any fingerprint service provider providing fingerprinting services for the purposes of Immigration /Police clearance seeking the recognition of their fingerprinting services from the New Zealand Police will need to provide written confirmation that they have read 'New Zealand Police Fingerprint Recording Guidelines' and their organisation practices comply with those detailed in the guideline document.

I thank you for your ongoing engagement with New Zealand Police in ensuring continued fingerprint services for immigration and overseas police checks.

Sincerely

Matthew Gittos

Acting Manager National Forensic Services
